

1954

There were no match reports at all found in the Bucks Examiner for this season. No fixture card or averages are available.

It is most probable that these two seasons saw the loss of a number of players to other local teams such as Amersham Hill and Fencibles. Also Reg King had left for Little Missenden. Therefore the club faced a couple of seasons of struggle to field teams.

Chesham Bois 58 for 9 v. Chesham A 57.—The stage was set. On the lovely Chesham Bois Common on which I am told cricket has been played for seventy years, appeared giants of the local cricketing world. Bois won the toss and, some would say, against all laws of cricket, put Chesham in first.

The bowling of the "Bois" was quite good and the batting of Chesham very steady, but sometimes slow. However, a total of 57 all out was amassed. Chesham Bois at this moment were, should I say, slightly "cock-a-hoop."

It was now their turn to bat. Within ten minutes, gloom and depression for the Bois lost their two opening batsmen for no runs. Even silence fell amongst the friendly spectators. However, Aigless and Young helped their side to amass a total of 58 runs. There was no need to call on the last batsman, Chesham Bois won by exactly one wicket. Everyone was happy. All thanks to both Chesham and Chesham Bois from us onlookers for a very happy afternoon.
